Dated:- 4.12.2003

SUB: Policy regarding Conversion of Trade of Commercial sites falling in Urban Estates of Punjab.

PUDA has been following a policy of disposal of commercial sites by way of auction based on the trades specified for each site. However, it has been observed that once the sites are sold, large scale conversions in carrying out of trade / business takes place on account of the prevailing market forces.

2.0 The issue regarding permitting conversion of trade of commercial sites has been engaging the attention of the Punjab Urban Planning & Development Authority for a considerable time and a number of representations have been received in this regard.

3.0 The Finance & Accounts Committee of PUDA in its 39th meeting held on 22.10.03 considered the issue vide agenda item no. 39.03. After considering various issues involved, hardships caused and difficulties encountered by the allottees and necessity for providing flexibility and freedom to carry on trade, allowing market forces to operate freely and realizing full potential of commercial sites, the Committee has decided to permit change of trade subject to the following conditions:

- (a) Commercial activities shall henceforth be divided into three categories, namely, General Trades, Special Trades and Prohibited Trades. Details of these are given in statement attached as Annexure-A.
- (b) Change of trade would only be permitted to sites sold under categories of Special Trade to the General Trade on payment of such charges as specified in para-4.
- (c) No change of trade shall be permitted in case of sites sold under general trade to special trade and Prohibited trade.
- (d) In case of shops, which are multi-storeyed and are sold as shop-cum-flats or shop-cum-office or shop-cum-office-cum-flats, the conversion of upper floors from residential to office / shop or from office to shops would also be permitted on the payment of conversion charges. However, use of upper floors will be related to the trade permitted at ground floor subject to conditions (b) & (c) above.
- (e) Architectural controls pertaining to external façade / compulsory verandah / corridor / passage shall not be permitted to be altered in case of change of trade. However, the internal changes

required from functional point shall be permitted subject to the provision of building by-laws / zoning plans, architectural controls with prior approval of the competent authority. Revised plans should take due care for structural safety and fire hazards of structures. Further no additional coverage shall be permitted and FIR shall remain unchanged.

- (f) Conversion charges shall be levied on the basis of covered area including the area under the verandah / public passage / staircase except the area of basement, if any.
- (g) Change of trade shall be permitted on making an application in the prescribed form to Estate Officer concerned along with prescribed charges and subject to the prior approval of the Estate Officer.
- (h) Change of trade will not permit any sub-division or amalgamation of commercial properties.

However, amalgamation of two commercial properties shall be permitted subject to the condition that both sites have the same trade and are under same ownership with prior approval of the Estate Officer as per existing policy for amalgamation of sites in urban estates.

4.0 Conversion charges

The rates to be charged for conversion of trade are linked to the potential of the city where the site is located. For this purpose the state has been divided into two distinct zones i.e. High Potential Zone and Low Potential Zone. Cities of Ludhiana, Jalandhar, SAS Nagar and Amritsar comprise the High Potential zone; whereas remaining towns and cities are treated as part of the Low Potential zone for the purpose of levying the conversion charges. The conversion rates to be charged for change of trade shall be as follows:

- (a) Rs. 100/- (Rs. One hundred only) per square feet for conversion of trade on ground floor for sites falling in the High Potential zone and Rs. 75/- (Rs. Seventy-five only) per sq. feet for sites falling in the Low Potential Zone.
- (b) Rs. 50/- (Rupees fifty only) per square feet for conversion of trade on upper floor premises, for sites falling in the High Potential Zone; and Rs. 35/- (Rs. Thirty-five only) per sq.feet for sites falling in the Low Potential Zone.
- (c) Conversions charges at the above rates shall be calculated for the entire built up area / area permitted under each use to be built on the said plot except the area under basement irrespective of the fact that building has been fully / partially constructed.
- (d) Payment may be made in lump sum or in 4 equated six monthly installments. In case payment is made in lump sum within sixty days of permission, then a rebate a 5% may be given. In case payment is made in installments then interest at the rate of 12% per annum shall be charged. For delayed payment additional penal interest as per approved policy should be charged.
- (e) Change of trade in case of rehries shall also be allowed by levying conversion charges of Rs. 75/- (Rs. Seventy five only) per sq.feet for sites falling in the High Potential Zone and Rs. 55/- (Rs. Fifty five only) per sq.feet for sites falling in Low Potential Zone as defined in this para above, based on the area allotted to each rehri subject to payment schedule mentioned at (d) above. However, no Prohibited Trade i.e. trade involving fire hazard or public safety shall be allowed.

5.0 The above policy should be brought to the notice of all concerned and wide publicity should be given.

6.0 The above policy shall be applicable with immediate effect.

DA/ As above.
